

XANDRE PRETORIUS

SOFTWARE DEVELOPER

I recently graduated from North-West University (Potchefstroom Campus) where I obtained my degree in BSc Computer Science and Information Technology. I'm currently pursuing my Honours degree in BSc Computer Science and Information Systems focusing on Artificial Intelligence. I've got excellent analytical and problem-solving skills and I love to learn new things.

EXPERIENCE

AUDIO VIDEO TECHNICIAN

2007 - Present

NG OBERHOLZER WES – CARLETONVILLE, SOUTH-AFRICA

I've been volunteering at my local church over weekends in which I maintained, operated and repaired anything used for the sermons and other live events.

MINE SURVEYOR

2013- 2014

EOH, SURVEY HOUSE DIVISION – ROODEPOORT, SOUTH-AFRICA

I was a Junior mine surveyor for a year, this included shaft sinking and underground surveying at Sasol Shondoni Shaft.

INTERN

APRIL 2016

K2 SOFTWARE – ROODEPOORT, SOUTH-AFRICA

In the April vacation of 2016 I worked at K2 software for a week. I was taught how to debug properly and recreate user errors in order to create reports.
